‘மேலும் ஆரோக்கியமான SG’ (Healthier SG) விதிமுறைகளும் நிபந்தனைகளும்

SG Yang Lebih Sihat merupakan strategi transformasi berbagai Health (‘‘MOH’’) to shift our health system’s focus beyond caring for those who are sick to proactively preventing individuals from falling ill.

Healthier SG is a multi-year transformation strategy by the Ministry of Health (‘‘MOH’’) to shift our health system’s focus beyond caring for those who are sick to proactively preventing individuals from falling ill.

Healthier SG aims to empower individuals to become healthier and improve their quality of life through preventive care anchored by a strong patient-doctor relationship with a family doctor, and supported by the three healthcare clusters and the community. Healthier SG will support you on your health journey through features such as enrolment with your preferred family doctor and enhanced access to relevant lifestyle and preventive health programmes. The features of Healthier SG may be adjusted from time to time to improve the experience and health outcomes for individuals.

By enrolling to Healthier SG, you agree to the terms of the following Terms and Conditions on behalf of yourself. If you do not accept the terms of the following Terms and Conditions, then you may not enrol to Healthier SG.

MOH has the right to change the following Terms and Conditions at any time, without prior notice.
